EDUCATION

Design BFA with certificate in computer science

University of Texas at Austin

2018 - 2022

WORK EXPERIENCE

Website Manager

University of Texas Campus Environmental Center

February 2021 - Present

-Updating and maintaining the catalogue and online clothing generator for the Making Amends sustainable fashion initiative, a student run program

Teaching Assistant

University of Texas at Austin SDCT

June 2020

- Facilitated a three week online summer camp, working with a team of six UT staff members and two TAs
- Helped the most with teaching the P5 digital design class, making templates in P5 and answering students' technical questions

Web Design Intern

Sitepro Solutions Inc. - Lubbock, TX

May 2019 - January 2020

- Worked with a development, analytics, and Design team to design prototypes for innovations in software that monitor sites in the oil field
- My prototypes were used in product meetings and as examples for specs in Axure for the development team
